Executive Healthcare Plan overview

The Executive Healthcare Plan is designed to work as hard as you do

Your Aetna Executive Healthcare Plan provides the medical cover **you** require, with a level of service **you** can rely on. It also gives **you** the flexibility to receive **treatment** at the doctor of **your** choice, within **your** geographic coverage area.

And should **you** require **emergency** care at a facility outside of **your** area, **you** can ensure that **we** can assist **you** in getting the care **you** require in a timely manner.

Things to consider when accessing care

1. Research what the quality of care is like in your location

Make a plan in advance on how to deal with a medical situation should **you** be faced with one.

2. Ask trusted locals or coworkers for referrals to doctors or medical facilities

3. Consider the environment when visiting a medical facility

Does it look clean? Are the doctors wearing gloves and masks when appropriate? Trust **your** instincts and seek care elsewhere if **you** feel uncomfortable.

4. Don't be afraid to ask questions

In non-emergency situations, ask questions about the service or procedure **you** are having. Ask the facility about their sterilisation practices, how many years the doctor has been practicing, how many times he/she has performed the needed procedure and any other questions.

5. Know the cost

Paying medical expenses up front can be expensive — but it doesn't have to be. Aetna will cover **your** eligible out-of-pocket expenses up-front if **you** choose a facility from **our** direct-settlement community. Seeking care at a facility that's not in **our** direct-settlement community? **We** may be able to set up a one-time direct-settlement arrangement for **you**.

Need extra help? Turn to **our** 24/7 International Member Service Centre. **We** can help **you** find providers, coordinate direct-settlement requests, provide health information and much more. Think of **us** as **your** personal guide to making the most out of **your** Aetna plan.

Value-added wellness programmes for group policy holders

Aetna Global Health Connections is a suite of complimentary wellness programmes that include:

• Wellness Checkpoint®

Wellness Checkpoint is a culturally diverse, online health survey that provides **you** with information about **your** personal health needs and motivates **you** to make lasting positive changes. The tool can also help **you** understand possible health risks, and provides an action plan and information that encourages healthy behaviours.

• Cancer outreach and support

Members with cancer can get assistance to help them understand their condition and locate helpful resources without a “one size fits all” approach. Instead, each interaction is customised to **your** unique health situation. **You** can speak one-on-one with a registered nurse who is committed to helping **you** manage **your** disease and reach **your** best health.

• Health and wellness education

Whether **you** are healthy and looking for additional healthy lifestyle tips — or have a **chronic** condition and want to learn how to reach **your** optimal state of health — **we** offer an array of health and wellness education materials to aid **you** in **your** efforts. The Aetna International Wellness Centre provides helpful information, including health topics such as:

Accessing quality care

We are committed to building strong, secure partnerships with health care professionals around the globe

We have negotiated simplified prepayment procedures with thousands of medical facilities worldwide. Called “direct-settlement” arrangements, these agreements make accessing care easier and cover any eligible up-front costs associated with **your** care or **treatment**, such as planned **inpatient treatment**, a maternity stay or **day patient** services. This is a significant benefit if you’re faced with a more expensive medical procedure.

If you’re unable to find a health care professional in **our** direct-settlement database, and require hospitalisation, simply send **us** a request. **We** are successful in coordinating one-time direct-settlement arrangements 95 percent of the time.

To find a direct-settlement provider:

1. Visit www.executive-healthcare.com.
2. Select *Useful Links* along the right-hand side of the page.

To facilitate a direct-settlement transaction:

For preplanned treatment/non-emergency:

Contact Aetna to initiate preauthorisation for a direct-settlement to a selected facility at least five business days prior to planned **treatment**. If **you** choose to seek **treatment** at a direct-settlement provider without notifying Aetna in advance, the provider will expect payment in full at the time of service.

While **we** work as closely as possible with **our** network providers to ensure that direct-settlement remains available for low-cost **outpatient treatments**, most providers ask for a credit card swipe or cash deposit to cover deductibles or copays/**coinsurance** payments.

For emergency treatment:

In the case of an **emergency**, please proceed immediately to a **hospital** or designated medical facility. If, as a result of the **emergency**, **you** are admitted to a **hospital**, a direct-settlement will be initiated on **your** behalf, for all covered conditions, the following business day. However, if you’re discharged following **your emergency** visit, **you** will be responsible for all charges up front and will need to submit a claim to Aetna for reimbursement.

To request a one-time direct-settlement arrangement:

If **you** are unable to find a provider in **our** direct-settlement listing, simply contact the 24/7 Aetna International Member Service Centre at the number listed on **your** member ID card, and **we** can attempt to arrange for a one-time direct-settlement on **your** behalf. In fact, **we** have a 95 percent success rate in negotiating these one-time arrangements.

To access our U.S. provider network:

The Aetna provider community is one of the most powerful in the U.S. This vast network offers access to more than 1 million health care professionals, 616,000 primary care doctors and **specialists** and 5,400 **hospitals**. If covered under **your** plan, when **you** receive care at one of **our** participating U.S. facilities, **your treatment** costs can be settled directly by **us**.

For those who have opted for such cover, to find U.S. doctors and facilities simply follow these instructions:

1. Visit www.executive-healthcare.com and select *Useful Links* along the right-hand side of the page.
2. In the *Direct Settlement Networks* section (on the right-side of the page), click on the link under *DocFind Preferred* to go to the DocFind® search engine.
3. Click the *Continue to DocFind* button.
4. Once on DocFind, **you** can search by geographic location, provider category or provider type. Other search options include specialty, name, **hospital** affiliation and languages spoken. Contact **your** Aetna International Member Service Centre if **you** need help with using the DocFind tool.

Important note: Preauthorisation and/or referrals may be required when accessing care in the U.S. Please check **your** plan documents for details and to ensure that **you** have the U.S. cover benefit.

Common insurance terminology

Coinsurance

Coinsurance is the cost sharing between a member and Aetna. It refers to the portions of a covered medical expense that the insurer and member must pay. For example, if a benefit states that there is a 25% **coinsurance**, the insurer pays 75% of covered expenses and the member pays 25%. Refer to **your** plan documents to find out the **coinsurance** rate for **your** plan.

Day patient and inpatient treatment

Day patient and inpatient treatment is care received in a **hospital**. It must be **medically necessary** for **you** to be admitted to a **hospital bed**. It is not dependent on whether or not **you** need an overnight stay.

Outpatient treatment

An **insured person** who receives **treatment** at a recognised medical facility, but is not admitted to a **hospital bed** as an **inpatient** or **day patient**.

Excess

Excess is the amount that a member must pay for covered services before the insurer will begin to pay. For example, if a covered expense of U.S. \$831 is submitted for payment under a plan with a \$250 **excess**, the member must pay the first \$250 of covered expenses. Please refer to **your** plan documents to find out the **excess** for **your** plan.

Explanation of Benefits/Settlement Letter

An Explanation of **Benefits** (EOB), or Settlement Letter, is a document that explains a member's health claims. It is generated by the insurer and includes information about:

- Services received
- Health provider
- Date of service
- How much the provider charges for the services received
- The amount the insurer has paid to the health care provider
- How much the member may be responsible for paying (if applicable)

An EOB/Settlement Letter is not an actual bill. It is provided for **your** information and convenience.

Precertification/preauthorisation

Precertification may be required for certain health care services received in or out of the U.S., to ensure that **your** plan covers those services. Examples of services that may require precertification are hospitalisation and **outpatient surgery**. Health care providers who participate in the Aetna network generally obtain precertification for **you**. However, if **your** plan covers out-of-network **benefits** and **you** seek care from an out-of-network provider, **you** are responsible for obtaining the precertification. Precertification is obtained by contacting the Aetna International Member Service Centre at the number on **your** member ID card.

You must contact Aetna to obtain prior approval (preauthorisation) before beginning the following **treatments**:

- Planned **inpatient** or **day patient treatment** (hospitalisation)
- Pregnancy or childbirth **treatment**
- Planned surgery
- **Evacuation/Out of Country Transportation**
- Second medical opinions
- **Psychiatric treatment** — **inpatient, day patient and outpatient**
- Home nursing charges
- Planned MRI, CT and PET scans
- Alternative medicine where **treatment** will exceed \$250

Evacuations are supervised by **your medical practitioner** or **specialist** at the place of incident. They are also coordinated by **our** International Health Advisory Team and its related support network or the **Emergency Assistance Medical Helpline**. Aetna must agree to any **Evacuation** before it takes place.

Referral

In some health plans, members must get a referral from their general practitioner (GP) to receive covered services from a **specialist** or other practitioner. A referral is a specific set of instructions that direct an individual to a **specialist** or facility for **medically necessary** care. A referral may be written or electronic.

The term "referral" can refer both to (1) the act of sending **you** to another doctor or **specialist**, and (2) the actual paper authorising **your** visit.

A doctor's referral is required and must be included when filing a claim for physiotherapy.

General conditions

1. Policy

Your application form, our written acceptance, your benefit schedule, your policy schedule and the policy wording must be read as one as they form the basis of your contract with us.

2. Contribution

If you, or any dependant named on your policy, are entitled to claim from any other insurance policy for any of the costs, charges or fees for which you are insured under this contract, you must disclose the same to us and we shall not be liable to pay or contribute more than our rateable proportion.

If it is found that you were repaid for all or some of those expenses by another source including any other insurance policy (as outlined in General Condition 16), we will have the right to a refund from you. Where necessary we retain the right to deduct such refund from any impending or future claim settlements or to cancel your policy void from commencement, without a refund of premium — see General Condition 21.

3. Transfers

- a) Where you transfer to the Executive Healthcare Plan from any other of our existing plans or, whilst covered under the Executive Healthcare Plan, you apply for and receive any enhanced benefits or cover (such as inclusion of an endorsement at any renewal date), any enhanced benefits, cover or maximum refundable amounts are restricted to new medical conditions which have not been previously suffered from, whether or not diagnosed, occurring after the date of transfer.
- b) Transfer from a group to an individual policy is subject to written approval from us. Terms of cover may be subject to variation.
- c) Transfer from any other similar private medical cover provided by any other insurer is subject to completion of a continuous transfer terms declaration form, submission of a copy of the expiring policy and subject to there being no break in cover. We reserve the right at all times to decline an application without giving any reason and/or to offer alternative terms.

4. Family/dependant cover

You and your dependants are required to be covered under the same policy with identical benefits. Where we find that this is not the case, you will be asked to comply with this request at your next renewal. Failure to comply with this condition will result in the termination of your policy.

5. Acceptance clause

We are entitled to refuse to accept an application from any person without giving a reason. We maintain the right to ask you to provide proof of age and/or state of health of any person included in your application. We reserve the right to apply additional endorsements, exclusions or premium increases to reflect any circumstances you advise in your application form or declared to us as a material fact.

6. Eligibility

The policy is designed for expatriate Residents of all African countries. Local nationals can only be considered subject to our approval. New applicants will be eligible for cover up until the age of 65. Individuals over the age of 65 are not eligible for cover unless the insured person's date of entry was prior to their 65th birthday.

For compulsory group schemes, ALL employees and their dependants must be enrolled within 30 days of eligibility, ALL employees and their dependants must be deleted within 30 days from when their employment ceased.

Any employee or their dependant not enrolled within 30 days of eligibility will be subject to individual underwriting.

Under the terms of this policy, cover is not available to persons where the country of residence is outside any of the African countries, irrespective of their country of nationality.

If during the policy year your country of residence is outside any of the African countries, we will not be able to offer you renewal.

7. Compliance with policy terms and conditions

We shall not be liable under this policy in the event of any failure by an insured person to comply with its terms and conditions, except where the circumstances of any claim are unconnected with such failure and no fraud is involved.

8. Medical evaluation

We reserve the right to request further tests and/or evaluation where we decide that the condition being claimed for may be directly or indirectly related to an excluded condition.

9. Change of risk

The policyholder must inform us as soon as reasonably possible of any material changes relating to any insured person which affect information given in connection with the application for cover under this policy. We reserve the right to alter the policy terms or cancel cover for an insured person following a change of risk.

10. Policy duration and premiums

- a) The policy is for one year and is renewable for successive one year periods, subject to the terms in force at the time of each renewal date and to payment of the premium.
- b) The premium payable may be changed by us from time to time. If you move into a higher age band, the premium will increase at the next renewal date. However, this policy will not be subject to any alteration in premium rates generally introduced until the next renewal date.
- c) All premiums are payable in advance of any cover under this policy being provided.
- d) Your policy is an annual contract and you are responsible for the whole year's premium even if we have agreed that you may pay by instalments.

11. Government taxes

Unless we state otherwise on the invoice, the premium charged shall be paid in cleared funds, without any deductions or set-off of any current or future taxes, levies, import duties, charges and fees of any nature whatsoever. If you are required to make any such deduction, you shall pay us such additional amounts as are necessary to ensure receipt by us of the full amount which we would have received prior to deductions.

We reserve the right to modify our products, services, rates and fees, during the policy year, in response to any change in the applicable laws and regulations or to any requests of government authorities resulting in changes to policy benefits. We also reserve the right to add, apply and/or recover any fees, levies and/or taxes, during the policy year, in light of any changes in the applicable laws and regulations, even if no benefit or policy changes are mandated.

12. Break in cover

Where there is a break in cover, for whatever reason, we reserve the right to reapply exclusion 1 in respect of pre-existing medical conditions.

13. Children

Newborn children will be accepted for cover (subject to the limitations of benefit 4) from birth. Acceptance of newborn babies is subject to written notification within 30 days of birth and receipt of the full premium within a further 30 days following notification.

Children who are not more than 18 years old residing with you, or 26 years old if in full-time education, at the date of joining or at any annual renewal date, will be accepted for cover as your dependants. Children will not be accepted for cover, unless on a policy with a legal parent or guardian and subject to the identical benefits applying to all parties.

A declaration of health is required in respect of all dependants who are born following assisted conception. We reserve the right to reject any application without giving any reason.

14. Alterations

a) We may alter the terms and conditions of this policy at any renewal date. A copy of the current policy terms will be sent to you at such time. You may cancel your policy within 15 days following any renewal date and provided you have not made a claim, we will refund your premium. We will give you reasonable notice of such alterations. We will send details of such alterations to the address we have for you. However, the alterations will take effect even if you do not receive them for any reason.

b) No alteration or amendment to the policy terms will be valid unless it is in writing from us.

15. Waiver

Waiver by us in any instance of any term or condition of this policy will not prevent us from relying on such term or condition in other instances.

16. Cancellation

In the event of any non-payment of premium, we shall be entitled to cancel this policy. We may at our discretion reinstate the cover if the premium is subsequently paid, though terms of cover may be subject to variation. Whilst we shall not cancel this policy because of eligible claims made by any insured person, we may at any time terminate an insured person's cover if he/she or the policyholder has at any time:

- a) Misled us by misstatement.
- b) Knowingly claimed benefits for any purpose other than as are provided for under this policy.
- c) Agreed to any attempt by a third party to obtain an unreasonable pecuniary advantage to our detriment.
- d) Otherwise failed to observe the terms and conditions of this policy or failed to act with utmost good faith. If the policy is cancelled by the policyholder at any time other than following the renewal date there will be no return of premium.

17. Unpaid or late premiums

We'll write to tell you if we haven't received or haven't been able to collect your premium on time.

We'll cancel your plan if we don't receive payment within 30 days of the premium due date. You'll then have to apply for a new plan if you would still like us to cover you.

18. Applicable Law

The law applicable to this policy shall be as specified in the policy schedule, unless you have requested an alternative, which has been accepted in writing by us. If no law is specified then the policy shall be construed according to the laws of England and shall be subject to the non-exclusive jurisdiction of the courts of England and Wales.

19. Arbitration

All differences relating to the claim amount arising out of the policy shall be referred to the decision of an arbitrator to be appointed in writing by both parties. If the parties cannot agree upon a single arbitrator, then two arbitrators should refer the matter for review, one to be appointed in writing by each of the parties. Should the two arbitrators fail to agree, then an independent umpire should be appointed in writing by the arbitrators within 30 days from the date of disagreement.

The umpire shall sit with the arbitrators and preside at their meeting and the making of an award within 60 days of the first meeting shall be a condition precedent to any right of action against the underwriters.

If the underwriters disclaim liability to you, your legal/personal representatives or any claimant, for any claim hereunder, and such claim is not within 12 calendar months from the date of such disclaimer referred to arbitration under the provisions herein contained, then the claim shall be deemed for all the purposes to have been abandoned and shall therefore not be recoverable hereunder.

20. Fraudulent/unfounded claims

If any claim under this **policy** is in any respect fraudulent or unfounded, all **benefits** paid and/or payable in relation to that claim shall be forfeited and (if appropriate) recoverable. In addition all cover in respect of the **Insured person** shall be cancelled void from **date of entry** without refund of premiums.

21. Liability

Our liability shall cease immediately upon termination of the **policy** for whatever reason, including without limitation non-renewal and non-payment of premium.

22. Premium refunds

After the first 15 days of cover from **your date of entry** you will not be entitled to any refund of premium, either in full or in part, for whatever reason.

23. Re-assignment

If there is more than one **insured person** over the age of 18 and the **policyholder** dies, this **policy** will automatically be transferred to the oldest **insured person** over the age of 18 years who shall upon the date of death of the **policyholder** become the **policyholder** for the purposes of this **policy** and be responsible for paying the premium.

24. Third parties

The only parties to this contract are the **policyholder** and **us**. No other person, including any **insured person**, has any right under the Contracts (Rights of Third Parties) Act 1999 to enforce this **policy** or any part of it.

25. Subrogation

The **policy** shall be subrogated to all rights of recovery that **you** have against any other party with respect to any payment made by that party to **you** due to any injury, illness or **medical condition** **you** sustain to the full extent of the **benefits** provided or to be provided by the **policy**. If **you** receive any payment from any other party or from any other insurance cover as a result of an injury, illness or **medical condition**, **we** have the right to recover from, and be reimbursed by **you**, for all amounts **we** have paid and will pay as a result of that injury, illness or **medical condition**, from such payment, up to and including the full amount **you** receive.

We shall be entitled to full reimbursement from any other party's payments, even if such payment will result in a recovery which is insufficient to fully compensate **you** in part or in whole for the damages sustained.

You are required to fully cooperate with **us** in **our** efforts to recover any payments made under the **policy** including any legal proceedings which **we** may conduct and proceed on **your** behalf at **our** sole discretion. **You** are required to notify **us** within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of **your** intention to pursue or investigate a claim to recover damages or obtain compensation due to injury, illness or **medical condition** sustained by **you** the

insured person. Other than with **our** written consent **you** have no entitlement to admit liability for any eventuality or give promise of any undertaking which is binding upon **you**, **your dependants** or any other person named in the **policy**. In the event that any claim or dispute is made in respect of this subrogation or any part thereof including but not limited to any right of recovery provision which is ambiguous or questions arise concerning the meaning or intent of any of its terms, **we** shall for the avoidance of doubt have the sole authority and discretion to resolve all disputes regarding the interpretation of this provision.

26. Currency

The monetary limits applicable to **your policy** will be expressed in the same currency as **your** premium. Claims paid in a local currency will be converted at the rate of exchange quoted at www.oanda.com, at **our** sole discretion, at the time **we** assess the claim. In certain geographical locations, **we** may be required to use an alternative published rate of exchange. **We** will advise **you** at the time of settlement the rate of exchange used and from which source this rate was derived.

27. Conflict or Civil Unrest, Chemical or Radioactivity Contamination

Treatment and expenses directly or indirectly arising from or required as a consequence of conflict or civil unrest, chemical or radioactivity contamination from any chemical and nuclear material or from the combustion of nuclear fuel or any **related condition** are covered by this **policy** provided the member:

- ii) Is not involved in any illegal activities which directly or indirectly lead to injury or illness
- iii) Does not knowingly enter or remain in a country, region or location where there is conflict, civil unrest, natural disaster, chemical, nuclear or radioactive contamination

- v) Is not a member of any armed forces, security services including personal protection, chemical, nuclear or radioactive contamination cleaning crews of any kind or type (including governmental workers or private teams).

Based on the information provided at inception or renewal Aetna will assess the current, future or developing risk exposure of members located in high risk areas and will notify the **policyholder** of any actions, limitations, exclusions or premium loadings required to ensure on going cover and member safety.

28. Claim Notification

Please ensure that **your** claim form is completed in full and returned within 180 days of the date of **treatment**. Refer to page 4 on How to file a claim and the claims procedure on page 27 for more detail.

Claims procedure

Important

In order to ensure that **you** receive the best possible claims service the procedures noted below should be followed in the event of **treatment** being required by **you** or one of **your dependants**.

The settlement of **your** claim may be delayed if **you** fail to complete **your** claim form properly. Please note the requirements under the claim form section of this claims procedure.

Medical helpline

All **insured persons** have access to **our** Medical Helpline which is available 24 hours a day, 365 days a year and is staffed by multilingual operators who can arrange admission to **hospital**, ambulance transfers and air **evacuation** where considered an **emergency**. To obtain medical assistance, please use the Medical Helpline number nearest to **you** as shown on **your** membership card. **You** will need to provide **your** name, reference number, telephone and/or fax number, location and **medical condition**. In any given situation, if **you** are unsure what to do, contact the Medical Helpline.

Out of country transportation

All non-**emergency** out of country transportation costs are subject to preauthorisation by **us** and in the first instance the **insured person** should contact Executive Healthcare Solutions for authorisation to travel. The contact details are on page 30 of this **policy** wording.

Outpatient treatment

Outpatient treatment is **treatment** received in a doctor's office and does not require admission to a **hospital** bed.

1. Outside the USA

Where **your policy** allows, **outpatient** services and **treatment** received within **our provider network** can be billed to **us** directly. In most cases, **you** will be required to show **your** membership card to the provider who will contact **us** to confirm direct billing. This may not immediately happen and, should **you** be asked to pay for the **treatment**, please ensure **you** state clearly to the facility that **you** wish to have **your** bill settled directly by **us**, and for them to contact the number on the reverse of **your** membership card. **Outpatient** services and **treatment** received outside the **direct settlement network** are required to be paid by **you** at the time of **treatment**. After paying for **your treatment** **you** must submit a claim form to **us** to be processed. To ensure prompt settlement of these expenses, please make sure to take **your** claim form with **you** in order for it to be completed by the treating **general practitioner, specialist or dental practitioner**.

Exceptions may be made for high cost procedures. In this case **you** will be required to contact **us** prior to receiving **your treatment**, in order for **us** to arrange direct payment with the medical facility concerned. Please note that not all medical facilities may accept direct payment with **us**. In these instances **you** will be required to settle the bill and submit a claim to **us** for reimbursement.

Providing all relevant information is submitted to support **your** claim, **we** will reimburse **you** accordingly by the payment method of **your** choice. Please clearly state **your** preferred payment method on **your** claim form. Where this is by bank transfer clearly state the name of **your** bank, account number and SWIFT (or IBAN) code.

2. Inside the USA

Some policies allow for **treatment** to be undertaken in the USA. Please check **your policy** to ensure that **you** have the appropriate cover before undertaking any **treatment** in the USA.

Where **your policy** allows, **outpatient** services and **treatment** received within **our provider network** can be billed to **us** directly. In most cases, **you** will be required to show **your** membership card to the provider who will contact **us** to confirm direct billing. This may not immediately happen and, should **you** be asked to pay for the **treatment**, please ensure **you** state clearly to the facility that **you** wish to have **your** bill settled directly by **us**, and for them to contact the number on the reverse of **your** membership card.

In the unlikely event that **you** are still required to pay **your** bill, please follow the steps as outlined in section 1 above.

Our claims department will process the claim according to the applicable portion payable by **us** taking into account **your excess** and any **coinsurance** applicable. Once **our** portion is paid, **we** will send both **you** and the provider an Explanation of **Benefits** (EOB) with details of settlement and statement of what **you** are responsible for.

Day patient and inpatient treatment

Day patient and **inpatient treatment** are those that are received in a **hospital**, and where it is **medically necessary** for **you** to be admitted to a **hospital** bed, whether or not **you** need an overnight stay. **We** require that **our** prior approval (preauthorisation) be obtained for all planned **day patient** and **inpatient treatment**.

For **emergency** admissions, **you**, the **hospital** or a family member are recommended to contact **us** to obtain preauthorisation prior to **your** leaving the **hospital**. Failure to pre-notify **your inpatient** or **day patient treatment** will mean that **you** may only be eligible for reimbursement of a proportion of the costs incurred.

1. Outside the USA

When **we** have been pre-notified of an eligible **day patient/ inpatient** stay **we** will attempt to arrange direct billing with the **hospital** and the **medical practitioners** or **specialists** concerned. **We** will send the **hospital** a guarantee of payment to the value of the estimated cost of **treatment** advised to **us** by the relevant facility/provider, which will confirm to them that the **treatment** is covered under **your policy**.

Release of Medical Information Form

You will be required to complete a Release of Medical Information Form which **you** should forward to **us** as soon as possible. Delays in completing this document may result in delays in receiving **treatment**.

Precertification Medical Form

The **hospital** is required to complete a Precertification Medical Form outlining details of the **medical condition** and **treatment** to be undertaken.

We cannot place a guarantee of payment without these two documents so please ensure that the **hospital** confirms with **you** that these have been sent to **us**. **We** will verbally confirm with **you** should **your treatment** be covered under the terms of the **policy**. However, completion of preauthorisation is conditional on the submission of **our** guarantee of payment. **We** will notify **you** as soon as possible if the condition or **treatment** required is not covered under the terms of **your policy**.

It may be that **we** are unable to implement a guarantee of payment before **your treatment** is undertaken. This may be due to delays in the **hospital** providing **us** with the appropriate medical information for **us** to be able to confirm cover. It is therefore important to contact **us** as soon as possible prior to **your treatment** taking place to ensure **we** are able to place a guarantee of payment in due time. **We** would recommend that **you** do not delay **your treatment** if a guarantee of payment is not in place at the time **your treatment** is due.

In the event that **we** are unable to implement a guarantee of payment, **you** will be required to pay the bill and reclaim the amount from **us** by submitting a claim form.

2. Inside the USA

Some policies allow for **treatment** to be undertaken in the USA. Please check **your policy** to ensure that **you** have the appropriate cover before undertaking any **treatment** in the USA.

Treatment received within the **provider network** will be billed to **us** directly. **Our** claims department will determine what portion of the invoice is applied to **your excess** and any **coinsurance** applicable and which portion is payable by **us**. **We** will send **you** and the provider copies of the explanation of **benefits** (EOB) detailing how the bill was settled and what amount **you** are responsible for.

We will notify **you** as soon as possible if the **medical condition** or **treatment** required is not covered under the terms of **your policy**.

USA Provider Network

We have made arrangements with many **provider networks** in the USA which, when **you** receive **treatment** at these facilities will mean that **your costs** for **treatment** can be settled directly by **us**.

You can find the **provider network** facilities in **your** area by visiting the Aetna International website: www.aetnainternational.com and clicking on *Downloads and Links*.

Click on the link to the DocFind® search engine. From there **you** can perform a search by address, name, specialty, and/or Tax ID Number. If **you** are unable to find details of **your** preferred provider from this search facility or have any problems with the search engine please contact **your** local Aetna International office noted on the next page for assistance.

Referral from a medical practitioner

We will require a doctor's referral to be included whenever filing a claim for physiotherapy.

When submitting any claim forms and any other documents pertaining to the claim, please ensure that:

- The first page of the claim form has been completed in full by **you** for each **medical condition** treated. The declaration must be signed by the **insured person** and dated to enable the claim to be validated

- ALL sections MUST be completed in full for all claims.
A referral letter from **your specialist** should be attached when **you** are claiming for diagnostic tests.

To ensure prompt settlement of any eligible claims please ensure that **you** submit all necessary documents at the time of the claim. **We** accept copies of original receipts to initiate the claim process and to facilitate the assessment of **your** claim (i.e. if **you** submit claims via fax or email), however **we** require that **you** send the originals before any claims payment is made by **us**.

All claims should be submitted by mail to the nearest Aetna claims centre noted on the next page.

General claims information

We reserve the right to reject any claim which is not submitted within 180 days of the date **treatment** took place. All documents and materials (including but not limited to original accounts, certificates and X-rays) that **we** require to support a claim, shall be provided without expense to **us** (including if requested by **us** a medical report from **your medical practitioner** or **specialist** and details of **your** medical history).

In cases where medical information is required by **us** for consideration of a claim but it is not made available to **us**, it is **your** responsibility to obtain such information from **your** current or previous **medical practitioner**, as appropriate. Claims may only be made for **treatment** actually given during a **period of cover** and **benefit** will be available only for expenditure incurred prior to expiry or termination of such cover.

An **insured person** must, without delay, give **us** written notification of any claim or right of action against any third party arising out of circumstances which gave rise to a claim under this **policy** and must continue to keep **us** fully informed in writing and take all steps **we** reasonably require in making a claim upon that other party. **We** shall be entitled to take legal action in any **insured person's** name for **our** own **benefit** and claim for indemnity or damages or otherwise which relates to any **benefits** and costs paid or payable under this **policy**. **We** shall have full discretion in the conduct of any such proceedings and in the settlement of any such claim.

If **you** have any questions concerning the above or any other aspect of **your policy** please do not hesitate to contact **your** local Aetna office.
